# Exclusive offers for Made In Group members

## Pulsar Nova Sound Level Meters

### Is your workplace compliant with Noise at Work Regulations?

A range of high performance integrating averaging sound level meters ideal for occupational noise and industrial noise assessments.

**10% discount on new models in the range for Made In Group Members**

## Trade in your old noise measurement equipment

### Already have a noise meter or dosimeter?

Why not exchange it for a new model with simple to use functions and free reporting software for produce compliant noise assessments.

**Up to 30% Trade in old for new for Made In Group Members**

## Pulsar SafeEar Noise Warning Signs

### Interactive noise warning signs that react to noise levels

Signs that light up at set noise levels to warn workers when they need to wear hearing protection and when it's safe to take it off.

**10% discount on the Pulsar SafeEar range for Made In Group Members**
